Mission Statement

The mission of St. Paul Lutheran Church & School is to **prepare** through God's Word, to **declare** God's grace & glory, to **share** Jesus with you.

PHILOSOPHY

St. Paul Lutheran School is part of the largest Protestant parochial school system the nation. Lutheran schools believe in quality education with an emphasis on God's love in our lives.

St. Paul Lutheran School offers academic programs from infant through eighth grade. Children are taught to be responsible, loving, and involved. They are prepared by being taught the expectations of God's law and are comforted with wonderful news of forgiveness through Jesus Christ. St. Paul Lutheran School is dedicated to developing and fostering spiritual, academic, physical and social growth in children and their families so they are enabled to declare God's grace and glory and to share Jesus with the world.

Current curriculum, small class sizes, innovative teaching, computer lab, technology class, keyboarding, a quality Christian staff, and field trip experiences are the marks of our program. Students will be well prepared to advance to the next levels of their education and to meet the moral challenges they will face as children of God.

Parents are encouraged to be involved in a Christian congregation, supportive of the children's education, and concerned about the spiritual welfare of their children.

“Love the Lord your God with all your heart and with all your soul and with all your strength. These commandments that I give you today are to be upon your hearts. Impress them on your children. Talk about them when you sit at home and when you walk along the road, when you lie down and when you get up.”

Deuteronomy 6:5-7

“Train up a child in the way he should go, and when he is old, he will not depart from it.”

Proverbs 22:6

Vision Statement

St. Paul Lutheran School is dedicated to developing and fostering spiritual, academic, physical and social growth in children and assisting them and their family in becoming productive members of God's Kingdom.

BRIEF HISTORY OF ST. PAUL LUTHERAN SCHOOL

In the fall of 1987, St. Paul Lutheran Pre-school opened for its initial year. The opening year offered a program for three year-olds on Tuesday and Thursday mornings and a program for four year-olds on Monday, Wednesday, and Friday mornings. St. Paul Pre-school soon achieved an outstanding reputation in the community. It was decided to add a full-fledged childcare program in 1993, a 15,000 square foot classroom addition and Multi-purpose center was added to the facility for the childcare program.

In 1995, our kindergarten was added to the program. St. Paul Lutheran School officially opened in 1996 when a first grade class began. At least one grade level was added each year until the school reached the eighth grade. In 1997 a house was purchased next to the existing church property and work began to renovate it for classrooms. This work continued for about five years until the building reached its present size of 10 classrooms with office and support facilities.

ACCREDITATION

St. Paul Lutheran School is fully accredited with two accrediting agencies. In 2004, upon completion of a year-long self-study, St. Paul Lutheran School met the accreditation standards of the National Lutheran School Accreditation Agency and the Missouri Chapter of the National Federation of Non-public School State Accrediting Associations.

These agencies require that standards be maintained and also expect improvements to be made, making accreditation an ongoing process. Annual reports must be submitted to maintain our accreditation.

Standardized Tests: Standardized achievement tests are administered every year to determine pupil, class, and teaching strengths and weaknesses. To obtain this information, we use the Stanford Achievement Test. This test battery measures mastery of the basic skills in vocabulary, reading, language, spelling, work study skills, science, social studies, and math. These tests give the teachers, parents, and student's information on how well the pupil has mastered the basic skills compared to thousands of other pupils who have taken these tests. Scores are reported to parents.

Chapel Services: Weekly Chapel services are held on Wednesday afternoon beginning at 1:30 p.m. with chapel families and then at 1:15 p.m. chapel in the sanctuary. All students will be included in the services. Afternoon preschool and kindergarten classes have chapel at 9:30 a.m. on Wednesdays. Parents and friends are welcome to attend chapel with their child(ren). Monetary or other offerings may be collected, and given to a charity chosen for that school year. These may include canned goods, socks, hats or gloves in winter.

SCHOOL PERFORMANCES

The members of St. Paul Lutheran Church do many things for the school without expecting reimbursement. One way for us to say “thank you” is sharing our children’s gifts at special worship services. The children (grades K-8) of our school are required to attend these performances. If you choose not to attend, this will lower your child’s quarterly music grade by one letter. You will be notified in advance of the dates and times.

Performance schedule is:

2. Lenten Services
3. Epiphany Concert
4. Spring Musical
5. Band Concert

Other performances include: Eighth Grade Graduation

If it is necessary to drop your child off before 8:20 a.m., take them to the Childcare, 1st-8th youth ministry gym and kindergarten Childcare gym.

Since it is very important to start on time, we ask that parents are out of the classrooms by 8:30 a.m. unless you have made prior arrangements with the teacher. School begins promptly at 8:30 a.m.

If your child is not picked up by 3:40 p.m. he/she will be taken to Childcare. Before and after school care is available at a cost of \$5.00 per day.

Tardiness: A student (K-8) is considered tardy if he/she is not in the classroom by 8:30 a.m. Students in 1st-8th will serve one hour detention for every 5 days that they are tardy per quarter. Detention will be served the next day after the 5th tardy. A note will be sent home from the office.

Planned Absences/Appointments: In the event of a planned absence or doctor/dental appointment, teachers should be notified in writing ahead of time so that the students can receive their work to be completed while absent from the classroom.

Absences: If your child is absent because of illness, please notify the school by phone before 8:20 a.m. on the day of the illness. If your child is absent three or more consecutive days because of illness, a doctor's note is required. This note must be received no later than seven days upon return to school in order for the absence to be excused.

Excessive Absences: Regular attendance is essential for your child's academic progress to be maintained. School is in session for 174 day per year in grades K-8. If your child has a total to twenty (20) absences or more during the school year, a conference will be held between the parents, teacher, and principal to determine if promotion to the next grade will be granted.

ILLNESS OR ACCIDENTS

In the event of an illness, your child must be fever free and have not thrown up for 24 hours before returning to school. If your child becomes ill or is involved in any kind of accident where health care, other than minor first aid is needed, we will contact you. If we are unable to reach anyone the school will take responsibility for getting medical attention for the child. If it is necessary for the child to go to the hospital, public transportation (i.e. an ambulance) will be used to transport your child. All expenses incurred due to the accident or injury will be the responsibility of the parent or guardian. Each accident or injury will be documented, explaining what happened, action taken, and witnessed and signed by attending school workers.

CONTAGION

When we become aware of a contagion (head lice, impetigo, ringworm, pink eye, etc.), parents will be notified immediately to retrieve their child and will also be informed of treatment for the contagion. The child must be doctor medicated and treatment documented before the child will be allowed to return to school. In the case of head lice, the child must be nit free.

SNOW DAYS & EMERGENCY DISMISSAL

The school and pre-school will be following the same basic calendar. If there are adverse weather conditions, watch for St. Paul Lutheran School to be listed on KQTV (channel 10) or stjoechannel.com. You can also listen to KKJO (105.5 FM) radio for any cancellations, receive text alerts from the school, and visit the homepage of the school website splcc.org.

If for any reason, school must be dismissed early (power outage, flooding, weather, etc.) parent/guardians will be notified as soon as possible. You may tune in to KQTV or KKJO radio, on the school website it will be posted under latest news, and you will also receive text alerts for those announcements.

AUTHORIZATION TO PICK UP CHILD

We must have written permission from the parent for any person other than the parent to pick up your child. This includes carpooling. Please bring and pickup your preschool – 3rd grade students at the front door on the west side of the Silas building. Students in 4th – 8th grade may be dropped off at the southwest door of the Youth Ministry building. Children must be picked up PROMPTLY at dismissal time. **There will be a late fee of \$5.00 per 5 minutes past dismissal time for preschool through 8th grade.**

SAFETY BEFORE AND AFTER SCHOOL

For the safety of our students, certain rules should be followed when delivering and picking up students before and after school.

Before school

1. The school parking lot should always be entered by way of Safari Street.
2. Use the west parking lot to drop off and pick up you child. **The parking lot by Safari is for daycare and school staff parking.** If you need to stop for a period of time or leave your car to come into the school, please park in a space in the West lot. Keep to the right as the west lot is a “one way” drive.
3. Consistent flow of traffic in the driveway is imperative. Driveways are a “drop-off” area, not a parking or standing area.
4. Pull up as close as possible to the sidewalk before stopping to let children out. Children should leave the vehicle from the **passenger side only.**
5. Approach and leave the parking lot at a slow speed. This is a school zone.
6. Be courteous to other drivers at all times.

After School

1. If you arrive early, please park in a space in the west parking lot.
2. Congestion is greater after school than before. Use special care when leaving the parking lot.
3. Students are not allowed to play on the playground or the field unless they are directly supervised by a teacher. Teachers do not supervise the playground or the field after school as they must supervise the loading of children.
4. Parents of students in Preschool – 3rd grade must come to the sidewalk to pick up their child when school is dismissed.
5. Cars should not stop in the drive north of the Silas building to load and unload their children. This causes traffic to back up in the driveway.

WAYS TO SUPPORT OUR SCHOOL

Scrip: This program not only helps St. Paul Lutheran School, it also helps individual families. The school purchases gift certificates and resells them. There are MANY businesses on the list (some local, some nationwide). When you purchase Scrip, a portion of the amount goes directly to the school and a portion goes into a family account that may be used toward your child's tuition. You may purchase Scrip in the school office throughout the week or at a table in the hallway by the 1st grade/preschool classroom on Friday mornings.

Box Tops for Education: Each year our school participates in the Box Tops program. We receive \$0.10 for each Box Top that is brought in.

Abitibi Recycling: We are now recycling catalogs, newspapers, mail, magazines, and other paper. Please save your paper and dispose of it in the yellow and green dumpster in the parking lot.

NEWSLETTERS/CLASS CALENDARS

Students in preschool through 5th grade will bring home a weekly or monthly newsletter and/or class calendar telling about upcoming events, programs, and announcements. Once students are in 6th-8th grade daily homework assignments are their responsibility as part of their preparation for high school. The personnel on staff at SPLC&S will abide by this law. Any faculty or staff member of SPLC&S who has knowledge of or reason to suspect abuse or neglect shall report the suspected abuse to the administration and the proper authorities.

STUDENT CONDUCT

At St. Paul Lutheran School, students are intended to conduct themselves with self-control, dignity, and respect. Each of our students is a child of God and will be treated with love and respect.

Discipline: St. Paul Lutheran School strives to provide a consistent and stable atmosphere for the children. Each child is encouraged to do his/her best. Teachers deal with student behavior on a daily basis. Teachers may use restriction of privileges, notes home, loss of recess time, etc. At no time will corporal punishment be used.

Bullying: St. Paul Lutheran School is committed to preparing each student to be successful in learning within a caring, responsive, and safe environment that is free of discrimination, violence, and bullying. Our school works to ensure that all students have the opportunity and support to develop to their fullest potential and share a personal and meaningful bond with people in the school community.
