As a result from a youth poll earlier in the summer, we will be having youth night at the Browne's home, which is on the church property. Their new address is 1128 Safari Drive. This will be a time students can come and relax in Christian fellowship, have time to work on homework, go to the gym to practice for sports, take time for themselves and enjoy a Bible Study that will teach more about loving Christ in their daily lives. This will be a time for the kids to take intentional time to take care of themselves and their faith.
