

The index cards in your bags are prayer cards for guided prayer with your family. Each card has a colored dot that aligns with a Fruit of the Spirit. Below you will find Bible verses that go with that specific theme. Open your Bible to these verses, read them as a family, then write each family member's prayer request on how they can better embody that characteristic. Each time you use these cards have a new family member pray for the things written on the card. The colors for the index cards are next to the topic title and verses to follow. Save these cards to look back on how God has answered those prayers. If you have highlighters or pens in these different colors use those to write notes in your Bible to look back at as well.

Love - Red

Deuteronomy 6:5
1 John 4:7-21
